**SAVING LIVES**  
at work, home and play

ECAS has partnered with St John Ambulance who has provided a unique discount code exclusively for ECAS members.

When registering for the Standard First Aid CPR-C & AED (Intermediate First Aid) Blended Learning course – which consists of one day online and one day in class – or the full 2-day in-class program, ECAS members can enjoy a 10% discount. Use the code during the registration process.

Registrations can be made by calling 1-888-273-0003, in person at one of our six locations across Saskatchewan or online at [www.sja.ca](http://www.sja.ca), ensuring the application of the discount code.

Please **contact ECAS** for the code prior to registering for the training.
